

Ohio Identification Officers Association
(Ohio State Division of the I.A.I)
International Association for Identification

The Ohio Identification Officers Association is the Ohio State Division of the International Association for Identification and consists of over 300 individuals in Ohio, West Virginia and Kentucky who are actively engaged in the areas of forensic identification. As an Organization we are committed as a source of continuing education for our members at a reasonable cost. We strive to hold annual Training conferences in various locations throughout the State.

We realize that the vendors in the forensic fields play a very important part in what we do. Our vendors provide a very important service in the availability of commonly used products and the development of new products and techniques. We solicit and actively encourage vendors to participate in our conferences to showcase their products and technology to our membership.

I would like to take this time to invite you to participate as a vendor in our upcoming Annual Training Conference. We have secured a conference facility with vendor space within the meeting facility. The cost of your participation is \$250.00, which includes a three night Hospitality room and one banquet ticket.

This event will span the evening of September 5th and full days on September 6, 7 and 8th, 2017. This conference is being held at the Crown Plaza Columbus North Hotel in Columbus, Ohio with a great room rate of \$104.00 per night for single, or double occupancy that includes hot breakfast all three days of the conference. Reservations can be made by contacting the hotel directly at 614-885-1885, or on line by going to the hotel link on the OIO website (www.oioa.org). If calling the hotel directly make sure that you mention the OIO to receive the group rate. Please contact the Hotel directly if you have any special needs in exhibiting your wares, such as power hook-ups, shipping info etc. Set up will be in the late afternoon of Sept. 8th, exact set up time will be determined by the Hotel. Breakdown will be at the vendor's discretion
